## EDUCATION

**NATIONAL INSTITUTE OF TECHNOLOGY WARANGAL**

B Tech in Civil Engineering

2020 - 2024

CGPA : 7.88

**GOWTHAM JUNIOR COLLEGE**

Intermediate/+2

2019 - 2020

GPA : 10

## COURSES

Data Structures And Algorithms
Object Oriented Programming
Database Management System
Web Development

## SKILLS

**PROGRAMMING**

Languages

- C++  • Javascript
- Java

Frameworks/Libraries

- Spring  • ReactJs  • ExpressJS
- redux  • mongoose

Clouds/Databases

- MongoDB  • MySQL

Other Tools & Technologies

- Git  • Github  • Docker
- HTML  • CSS

**OTHERS**

Time Management
Collaboration
Problem Solving
Communication skills

## INTERESTS

- Playing Chess and Badminton
- Reading Books

## EXPERIENCE

**THIRD WAVE COFFEE**  Internship | June 2024 - Present | Banglore, India

- Developed an interactive dashboard for store order management using React.js and Redux Toolkit, enhancing operational efficiency.
- Implemented Server-Sent Events (SSE) with Spring Boot to provide real-time updates on placed orders, improving responsiveness and user experience.

## PROJECTS

**COURSEMART** 🔗 | Full Stack MERN Application

- Built an interactive e-commerce platform for selling courses with a user-friendly experience.
- Tech Stack: Nodejs, Expressjs, MongoDB, Reactjs, Tailwind CSS, mongoosejs
- Github Links: https://github.com/Zubair-05/CourseMart

**WEATHER APP** 🔗 | Frontend Project

- Designed and developed a web-based application featuring an interactive user interface enabling users to access real-time temperature and other weather-related information.
- Tech Stack : React js, Tailwind CSS, OpenWeather API.
- Github Repo link :  https://github.com/Zubair-05/Weather-App

## POSITIONS OF RESPONSIBILITY

**EXECUTIVE MEMBER**  | Center for Value Education Club, NITW

2022 - 2023

Contributed to the planning and execution of near about 10 diverse events, gaining experience in event coordination and teamwork.
